

Задание 3.1. Работа с git. Коваленко Кирилл ИС221

Open a pull request

Create a new pull request by comparing changes across two branches. If you need to, you can also compare across forks. Learn more about diff comparisons here.

From master * To: compare: change_prj * Add to merge. These branches can be automatically merged.

Add a title

changes

Add a description

change MainActivity

Markdown is supported. Help, tips, or click to add files.
